

Christine R. Hatcher

LEED® AP BD+C / Principal

Christine brings 18 years of diverse architectural experience, and successfully navigates projects from initial feasibility study, to leading a project team through construction completion. Christine's comprehensive view of a project encompasses schedule and budget maintenance, as well as approaching building challenges with pragmatism and a critical eye. Project experience includes corporate workplace tenant improvement, commercial shell and core, mixed-use multi family, and private education. Christine is passionate about building and fostering relationships, and takes great pride in the built projects that integrate well with the community.
