

Chris Nagamine

AIA, LEED® AP BD+C / Managing Principal

Chris is a Founding Principal of Encore Architects, and as Managing Principal, is responsible for overseeing the day-to-day management of the firm. Her methodical approach to business and project execution, combined with a great design sense, allows her leadership skills to shine across all of Encore's projects and platforms. Skilled and adept working with and leading design teams, she is truly an effective manager and listener, and works very closely with clients and stakeholders to ensure common values and goals are met with exceptional results. She strives for innovative, site-specific solutions to every project, combining aesthetics and practicality. She has over 24 years of experience with particular interest in urban infill, mixed-use, and the opportunity to enhance the existing urban fabric.
