

# Jen Cho

Associate AIA, LEED® AP BD+C / Associate

Jen brings a wide range of architectural experience with projects in an urban context, from conceptual studies through construction administration and LEED documentation. She strives to create spaces that relate to their surrounding community and enhance their neighborhoods. Jen specializes in 3D visualizations, renderings, and animations. Her most recent work includes the Zella Apartments; Jefferson Park Apartments; University of Washington Maple and Terry Halls; Northwest School Theater, Athletic, and Dining Facility; and University of Washington Lander Hall.
