

# Thomas Hemba

AIA, LEED® AP / Principal

Thomas Hemba is an insightful and creative team oriented designer with over 15 years of experience on challenging urban mixed-use residential, student housing and hospitality projects. As a well-rounded architect, Thomas combines his technical knowledge with a discerning eye to come up with solutions rooted in good design. Being a Seattle area native who has worked abroad in Germany on international projects, he has absorbed a heightened sense for what makes this region unique. Through working collaboratively with clients, consultants and the city Thomas seeks to foster thoughtful, community enriching designs.
