

Vince Ferrese

AIA, LEED® AP BD+C / Founding Principal

Vince Ferrese, a lead director and designer with more than 45 years of experience, is recognized both locally and nationally for his expertise in housing that serves communities and campuses. Energized by momentum, Vince knows how to sequence complex projects through interconnecting insights while embracing new opportunities. Vince keeps his focus on the perspectives of the client as he pulls from a large repertoire of skills involving technical propensity, project management and rapport with the client. A knack for transformative thinking enables his successful problem solving and leads the way to practical design that transitions into thriving projects. Vince has over 110 built projects, 55 of which are multi-family housing.
